

Personal Care Services Regulations for Re-opening

County of San Diego -Public Health Order – Expected June 19, 2020

Please review [Lemon Grove's Re-opening Business Guide](#) for general guidelines to properly reopen your facility/business.

Additional *Guidelines* for Personal Care Services

- Skin Care/Cosmetology Services
 - Nail Salons
 - Tattoo Parlors/Piercing Shops
 - Massage Therapy
-
- A completed [Safe Reopening Plan](#) must be posted and viewable to customers. In addition a copy must be given to all employees.
 - Disposable gloves should be worn for the entire esthetic service as well as during cleaning and disinfection of instruments and surfaces.
 - Consider wearing a face shield in addition to face mask when possible.
 - Pedicure bowls are required to be disinfected with an EPA-registered liquid disinfectant that is labeled as a bactericide, fungicide and virucide. Foot-spas must be properly disinfected after every client even if a disposable plastic liner is used.
 - Any non-disposable supplies must be fully disinfected between customers according to the California Board of Barbering and Cosmetology guidelines.
 - Single use items, such as cardboard files, sand-bands for drills and buffers must be used once and discarded in a lined, lidded trashcan.
 - Workers should ensure they wash their hands thoroughly with soap and water or use hand sanitizer immediately before putting on and after removing gloves.
 - Suspend piercing and tattooing services for the mouth/nose area.
-
